

## **Arpeggio Music Therapy is looking for a Certified Music Therapist to join their team!**

**Start Date:** October or November 2020 (negotiable)

**Application Deadline:** Tuesday, September 15, 2020 or until position fills

**Position:** Subcontracting position in Fredericton, New Brunswick, with future opportunity to move to an employed position; two full days per week (13 billable hours/week) at present with expectation of increased hours should the successful applicant desire

### **Who is Arpeggio Music Therapy?**

Founded in 2008 by Elizabeth Eldridge, Arpeggio Music Therapy is New Brunswick's largest music therapy service provider. Our dedicated team of Certified Music Therapists provide clinical and consultation services to clients in a variety of settings.

### **Why Join Our Team?**

We're looking for a passionate, dedicated music therapist to join our team and serve diverse client populations in Fredericton, New Brunswick and surrounding areas. Music therapy in New Brunswick is growing and as a well-established business Arpeggio Music Therapy can give you the support and tools you need to do what you do best: deliver top-notch music therapy services to clients! Ideally the successful candidate will begin their clinical duties in early October 2020 but the option of a later start date can be discussed if necessary. There will be an opportunity to advance from a subcontracting agreement to a secure employed position in the future.

As a subcontractor of Arpeggio Music Therapy, you will enjoy benefits such as...

- Regular pay days without the time, stress and paperwork involved in invoicing clients, overdue payments and tracking and collecting funds from different sites
- Acquisition of contracts without having to invest time and money into advertising

- Flexible works hours/time off
- A wide assortment of rhythm instruments for use with clients
- Your own business cards
- Access to many programming tools and resources
- Financial and logistical support for participation in relevant professional development opportunities
- Mentorship from Arpeggio's team of experienced, dynamic MTAs
- ...and much more! Arpeggio prides itself on giving team members what they need to thrive in their roles

### **Job Duties and Responsibilities:**

- Planning, delivering and providing necessary documentation for clinical music therapy sessions, including private clients and facility work in both one-on-one and group session formats
- Communicate as needed with clients, family members and departmental staff at facilities
- Approach all work with thought, sensitivity, flexibility and a client-centred focus
- Uphold Arpeggio's reputation for high quality services and professionalism

### **Training Requirements:**

- Minimum Bachelor of Music Therapy (or equivalent) from a recognized institution
- MTA (Music Therapist – Accredited) designation; applicants who are not yet certified but have completed (or will soon have completed) their clinical internship requirements and have plans to sit the Board Certification exam in the near future will also be considered
- Membership in good standing with CAMT
- Vocal and multi-instrument proficiency
- Experience working with a variety of populations
- Valid driver's licence and reliable mode of transportation
- Professional liability insurance
- Clear criminal record check, including Vulnerable Sector clearance
- Highly motivated and passionate about music therapy
- Organized, independent, punctual and professional
- Excellent interpersonal and communication skills (written and verbal)
